Dear Parents and Teachers, dear Students,

I would like to warmly welcome you all to the new school year at DSKL, especially new students, staff members, assistants and interns. I wish all and everyone a happy start.

New at the school are:

- Mrs Heike Hauck, Geography and German
- Mr. Michael Frese, Mathematics and Physics
- The assistants Malte Rassow, Marvin Mäußnest and Rafal Althamer
- The interns Tina Friedenstab and Anna Kordt

This year's 11th grade consists of 11 students, thanks to our new students from Germany, who are here under the scholarship and student-exchange program, sponsored by designated German and international companies based in Malaysia.

Another noteworthy improvement is the new homework and info-diary, which includes the important rules and regulations about work at DSKL. All students have received the information together with their school supplies.

Matters arising in the class will be discussed during the extra classroom teacher hour that we have incorporated into the schedule of years 5 to 9.

- **The school will be closed on Wednesday, 17th August**, which is a public holiday in Selangor.
- **Afternoon sessions will take place from Thursday, 18th August onwards, but no AG and WAGs will be held.**
- AGs and WAGs will start on 5th September after the short break.
