Dear Parents and Teachers, dear Students,

The AGs have started, and one more extra-curricular event is currently being prepared: the project activities involving students of Grades 1 to 11 are scheduled for 11th to 13th October.

Students from Grades 1 – 4 of Primary School have chosen as a common topic ‚Road Safety Education‘.

Most of the project topics have been proposed by the students themselves. On Thursday, September 8 (8th period), the project contents will be briefly presented to the students of the Secondary School, to ensure they are in the position to take a decision by Friday, September 9 (6th period) for the Students' General Assembly

Candidates for the students representative team will be introduced at the Students' General Assembly. The ballot will take place during the following week.
