Dear Parents and Teachers, dear Students,

It has already been a month since the Christmas Fete. However, I would like to thank everyone who helped make it the „best one yet“. We look forward to perfecting the upcoming Christmas Fete, in order to top last year's one!

During the Christmas holidays, I had attended the School Principals' conference at the Foreign Office in Berlin, where 123 principals from all countries participated. State Secretary Mrs. Cornelia Pieper made it clear that Overseas German Schools are becoming more and more essential in the AKBP (Foreign Cultural and Educational Policy). The available data indicate, that we can expect the usual subsidies in the medium term.

We would like to bid farewell to our interns, Marvin Mäußnest and Rafal Althamer. They will be returning to Germany at the end of this semester. Mr. Althamer will be staying for a few more days, until his successor arrives. I would like to thank both assistants for their commitment, especially with the last-minute notices in Sports.

VENETIAN NIGHT, Saturday 26/05/2012 at the Royal Lake Club

Glitz and glamour of this city reflect the classic connection between Europe and Asia. We, this year's Seniors of DSKL, are living proof of this bond – be it by birth or choice. The VENETIAN NIGHT will crown our graduation and represent our unique identities.

The celebration will take place on 26/05/2012 at the Royal Lake Club. We, along with our homeroom teacher, Mr. Eberbach, are looking forward to celebrating with all of you.

Wishing everyone a belated Happy New Year!

Dr. W. Munzinger
Principal
