Dear Parents and Teachers, dear Students,

The school year is coming to an end and the last big challenge for our high school graduates and secondary school students begins next week with the oral exams. The twelfth graders had their last day of school on May 13th, 2022 and are now preparing for the remaining oral exams. All students have been admitted to the exams and I wish the examinees all the best. On May 11th, 2022 a soccer tournament took place where students of classes 5 - 8 and the primary school soccer AG participated. A really successful event, where everyone had a lot of fun. Many thanks for the great organization by the SV and the sports department. Special thanks go to Noa Zander for her leadership. The vocational internship of class 9 will end tomorrow and we are all happy that it could finally take place again this year.

As already announced in the last newsletter, the class trips unfortunately had to be cancelled. As a replacement, we will hold two day excursions on June 14th and on June 27th, 2022. Now that the restrictions imposed by the SOPs have been almost completely lifted at the schools, I am pleased to announce that there will be a summer party again this year at the end of the school year. Details will follow in a separate announcement next week.

"Run for Peace" - sponsored run at the DSKL

On Sunday, May 29th, 2022, the sponsored run "Run for Peace" will take place from 8.00 a.m. to 2.00 p.m., organized by the student council (SV) together with the sports department. A detailed information letter and the registration form have already been handed out to the students and yesterday a reminder e-mail was sent out. The information can be found here as an attachment. If you have not yet registered, this is still possible until **tomorrow, Friday, May 20th, 2022**. Please hand in the registration form to Mr. Lehmenkühler. We hope to receive more registrations in order to collect as many donations as possible for this beautiful project and to support people in need.

Social project - appeal for donations

Once again, we would like to take the opportunity to point out the social project of the students of class 11. Within the framework of this social project, donations in kind and money are collected for various charitable institutions. We have already received individual donations, for which we would like to thank you very much. However, in order to provide real help, many things are still missing and we ask once again for the support of our school community. The orphanages are in particular need of financial support, for example to rebuild a burned down kitchen or to carry out other urgently needed repairs. Washed children's clothing in all sizes, sorted out intact toys and non-perishable foodstuffs are also gladly accepted.

You can drop off donations in the box at the front desk. The students will take care of the further distribution of the donations to the orphanages. Agathians Shelter has additionally compiled the following list of urgently needed items:

Household Items	Quantity
Floor cleaner	3 btl
Broom	5 pcs
Dish wash liquid	3 btl

The students already thank you in advance for your commitment and for your support in carrying out this project.

Covid-19 vaccination certificates

To complete our records, we ask that you send us a copy or screenshot of the digital vaccination certificate from the MySejahtera app after your child's second Covid vaccination as well as after a booster vaccination. We would also like to point out here that the vaccination is not mandatory for school attendance.

Please send us the current passport and visa copies of our students.

We would like to remind you once again to please send us the current passport and visa copies of your children, as these are urgently needed for administrative purposes. The school is required to keep these documents up to date. We thank you for your cooperation in this matter.

Departures at the end of the school year

Once again, we would like to ask the families of our school community who will unfortunately be leaving Malaysia this summer to inform us of any planned withdrawals by **May 31st, 2022** and to send us the appropriate withdrawal forms. Two forms are required for deregistration. You can find them on the DSKL website or by clicking on the following links: [DSKL Deregistration Form](#) and [DSM Cancellation Form](#). You may scan and email the deregistration forms to us.

With best regards and stay confident
