What's on

Dear school communities,

After the exam is before the exam! With the central class tests and DIA examinations just behind us and the oral A-level examinations coming up in May, "Sepp Herberger's famous quote "After the game is before the game!" comes to mind in a slightly modified version. Students and teachers were challenged in the last few weeks with a densely packed school examination programme, which was supplemented by the competency tests in Grade 6 and 8. It is almost unexpected that there was so much more to do in the last few weeks than just school: the carnival celebrations in the kindergarten and primary school including the big carnival party of our SV, the visit of the staff of the Orang Asli project in Grade 2-4 and the class trip week from 20.02 - 24.02.2023, where all classes were on the road for at least three days in the surrounding area or even in other countries. Even our pre-school children were involved in this week of class trips together with Grade 1 and 2. With all the extra effort from the students, teachers and supervisors involved, I would like to say "Great job!" and "Thank you very much!" to everyone for all their thought, planning and participation!

I also would like to take this opportunity to thank our school community for the keen interest they have shown in the French school's offer. The dates for the school tours at LFKL for this week have been well received and registration is already closed

Extraordinary General Meeting of the DSM

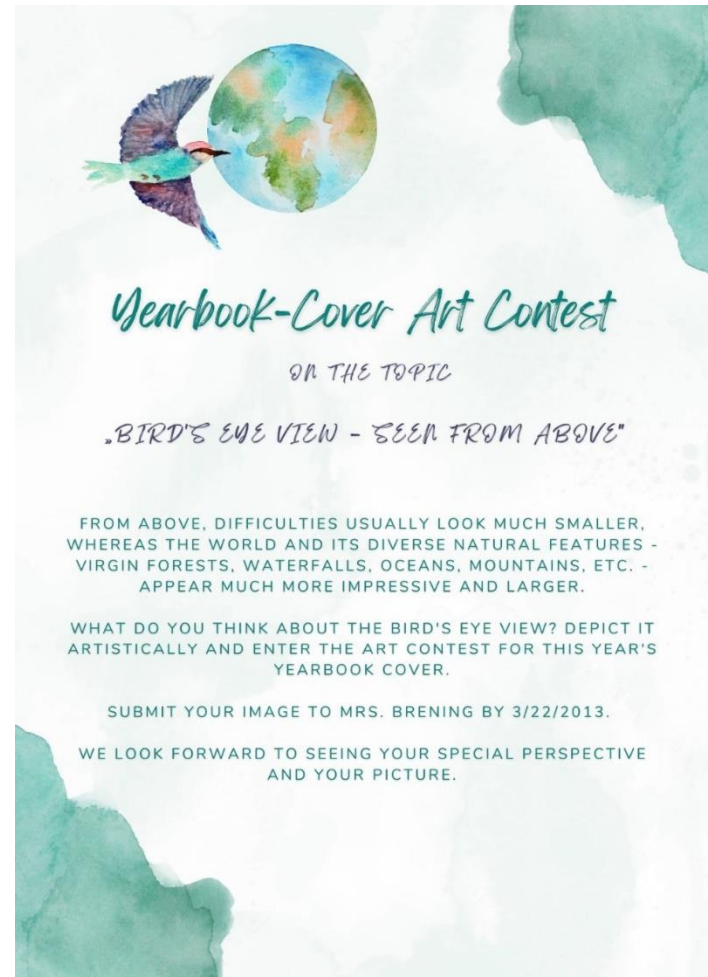

Important vote

As announced during the informational event on the move to LFKL, the extraordinary general meeting associated with the EURO CAMPUS project will take place on 21st March, at which the members of the DSM will also vote on the planned move. Your decision will be another important step towards the success of this project. You are cordially invited to cast your vote in person on Tuesday 21st March at 7:30 p.m. in DSKL Theatre Room. In case you are unable to attend in person on that evening, kindly take the opportunity to transfer your vote to one of the DSM members present. Please use the appropriate proxy form which you received along with the invitation.
