News from the Principal

Dear school communities,

The Easter things are already wrapped up, the oral final exams are just around the corner and thus ensures that the last weeks of the school year 2022/23 have begun. We are already looking ahead into the future, but it is still worthwhile to take a look back.

Prior to the holidays, there were the Easter project days in the kindergarten and the Environment Day in the school, in which our students impressed us with their remarkable results. Right after the Easter holidays, there was the Easter basket hunt in the primary school, the Federal Youth Games and the sports day of Grades 1 and 2 together with the pre-school. At the moment, there was also a great award ceremony, where the achievements were extensively appreciated. Our Grades 8 and 9 students have also visited the LFKL as part of the French exchange programme. Many thanks to all who took part in this colourful bouquet of activities!

There will be an unexpected school and kindergarten holiday this week on Friday 21/04/2023 - the Malaysian government has declared an additional holiday as part of the Hari Raya holidays - "Hari Raya Adilfitri", wishing all Muslim families a happy Hari Raya celebration

and all members of our school community a restful long weekend!

Please take into account that due to the new public holiday, the final subject presentations for our Grade 11, which were actually scheduled for this Friday, will now be postponed to Tuesday, 25.04.2023 at 10.00 am. Also, on this day we would be pleased to welcome additional guests who would like to attend the promising presentations.

I would like to take this opportunity to invite you once again to our Open Stage on Wednesday, 26.04.2023. Finally, after 3 years, we will once again have the opportunity to give a stage to all the school's talents. The programme will begin at 6.30 p.m. in the schoolyard.

Then in May, "SOAS Boleh" is coming up! In cooperation with the German European School Singapore, we would like to keep the spirit of SOAS alive in a friendly encounter and meet again after 3 years of abstinence for a first sporting reunion. The anticipation is correspondingly great and more information about SOAS Boleh will follow in the next few weeks!

Deregistration at the end of the school year

Just like every school year, some families will be leaving our school community Malaysia this year, which is a great pity. Therefore, we kindly request all families to inform us of any planned deregistration by 31st May 2023 and send us the appropriate deregistration forms. Two forms are required for deregistration. These can be found on the DSKL website or by clicking on the links below: [DSKL deregistration form](#) and [DSM cancellation form](#). You may send us the deregistration forms by scan and E-mail. Deregistration forms must also be submitted for Grade 12 students, as well as notice of termination from the school association if no siblings remain at DSKL in the future. If you have any questions, please contact the school secretary at any time.
